

**FOR THE JOY OF GIVING**

“Start children off on the way they should go, and even when they are old they will not turn from it.”

*Helping the poorest children of the world*

## OUR MISSION

The mission of A Voice for Children, International is to provide charitable and humanitarian aid to the poorest of the poor children of the world. AVCI also seeks to spread the Word of God.

A Voice for Children, International primarily operates in Central America. Through your donations and support, we are able to support feeding programs, help build community centers for homeless children, and provide human traffic prevention education. We are currently working on different projects in Costa Rica, Cuba, El Salvador, Guatemala, Honduras, Mexico, Nicaragua, and Rwanda (Africa).

It is our hope that AVCI can bring the knowledge of God and the hope for a better future to people living in challenging conditions in various places of the world.

## COSTA RICA

AVCi provides funds for a community center in Jaco. The center provides food, shelter and care for more than 150 children every week. We also support Project Cinco in San Jose. They provide food, health care, and education and for more than 500 kids in the area.

## RWANDA

AVCi supports Sunrise School in Rwanda. Today, the school has over 350 new computers, 400 Nook book readers, 4 Promethean Smart Boards, projectors, laptops for all of the teachers and a dedicated IT staff.

## GUATEMALA

AVCi supports two ministries living for children on the streets in Guatemala. The first project is run by Fredy. His program provides food to 100 kids every week. The other ministry, led by Elena Vasquez, focuses on teens and early 20's young people.

## CUBA

AVCi support one main project in Cuba. AVCi partners with Dr. Victor Gonzales, the founder of Go & Tell ministry in Havana to provide support and share the word of God with the poor children.

## NICARAGUA

AVCi works with local partners on three main projects in Nicaragua. We support a community center "Elohim" in Managua, which feeds and cares for about 80 street kids every week. We fund the Susie Syke Medical Clinic which has a doctor every week and a dentist every other week that provide care to local children. AVCi is currently supporting three training sites focused on prevention and education of the risk of human trafficking that is prevalent in the country.

## MEXICO

AVCi provides funding for two different projects in Mexico. We provide support to the Esperanza Children's Home in Puerto Peñasco by funding food and other necessities to the 40 children living in the facility. We also support the Two Fish Ministry in the Puerto Peñasco area. The feeding program provides food for about 250 kids per week in three different locations.

## HONDURAS

AVCi supports a feeding program in Honduras. We help providing food for 1200 street kids per week near El Triunfo. We also provide a portion of the funding for a new building that will serve as a church and community center to serve five villages in the rain forest in Southern Honduras.

## EL SALVADOR

AVCi project in El Salvador is the newest one. It is led by Margot. She and her team care for children at risk and young single mothers, right outside San Salvador. Our contributions help to provide food and vitamins in three different communities for more than 200 kids every week.
